### **Participation in the Keidanren Initiative for Biodiversity Declaration**

Japan Petroleum Exploration Co., Ltd. (JAPEX) has approved of the aim of the Keidanren Declaration for Biodiversity and Guideline established by the Japan Business Federation (Keidanren) and the Keidanren Nature Conservation Council, and joined the Keidanren Initiative for Biodiversity Declaration (hereinafter the “Initiative”) in July 2025. The Initiative is a framework for companies and organizations promoting biodiversity initiatives to achieve “nature positive,” which aims to stop the loss of biodiversity and reverse its direction so that put nature back on track by 2030.

The JAPEX Group has incorporated biodiversity and ecosystem preservation into the JAPEX HSE Policy, setting it as one of the core CSR themes. In both domestic and overseas operations, we are committed to paying attention to and conserving biodiversity.

Through participation in the Initiative, JAPEX will further strengthen its efforts to preserve biodiversity and ecosystem by engaging with both internal and external stakeholders, thereby contributing to the realization of a sustainable society.
